2018 Long Range 1000 Yard Wyoming State Championship.

This year's match was shot on the silver mountain electronic target systems. At first things looked kind of dim. New software updates had the match in doubt for a few minutes. But Dave managed to get things up and running in no time. The weather on the hand would not cooperate and it was a bit challenging at times. We had about 37 folks come to shoot this year's match. This is our biggest turn out ever. The scores reflect the weather challenges to some extent. However, overall it was fun and most folks are looking forward to next year's match. A special thanks to Dave, and his wife Lesley for their hard work. Also thanks to all of the sponsors for the really nice prizes and awards that were donated. Please see the attached scores below, and don't forget to check out the pictures in our gallery page. Till next time take care and may god bless.

				Target Re	elay	MATCH 1	MATCH 2	MATCH 3	MATCH 4	MATCH 5	AGG
F-Open	High Master	David	Gosnell	6	1	199 11	197 5	190 4	197 13	196 12	979 - 45
