* Chairman's Comments:

Please be aware that Paul Garbin passed away on September 9, 2025. This leaves the President Positions Open. Paul will be missed!

WSSA will sponsor awards for the junior air and small bore state matches in 2026. We will also sell raffle tickets to raise funds to support the juniors next year, as well as sponsor hats/caps for the various centerfire championship matches. WSSA may be willing to sell its shotmarker targets systems if the offer is right. WSSA needs a volunteer for the position of president. Is anyone interested? The board will look into liability insurance for the Board Officers/Directors. It was noted that we need to find ways to do some of our business on line. We also need volunteers to be webmaster and facebook coordinators.
