Old business: Proposed changes to Bylaws:
The proposed changes from the last meeting were reviewed and approved for inclusion into the Bylaws.

New Business

Match Buckels/Caps:

The members approved funds for match awards for juniors, and caps for the state championship matches.

2027 Raffle Tickets:

The members approved and authorized the club to conduct another CMP M-1 Garand Rifle Raffle. We normally make money to support the junior shooting sports with this raffle.

Club Property Status:

Ryan Fictum updated everyone concerning the clubs trophy's and shot markers. He will maintain custody for now, at least until the next membership meeting. Ryan will also coordinate site links to a vendor to print customized caps/hats shirts for us.

Club Insurance Bond:

A motion was made to remove this requirement from the by-laws. If this issue is brought up at the next membership meeting and a vote to remove it is approved, then it will no longer be in the by-laws.

Mandatory Club Insurance:

It was moved and approved to mandate $1 million officers' and directors' liability insurance policy for clubs officers and directors in the club By-Laws. If this is brought up at the next membership meeting, and a vote to approved happens, then it will become part of the clubs By-Laws.

Media for Club Communications:

Discussed options moving forward: online options for newsletters, and club communications, cost effectiveness, raffle tickets purchases, members' preferences, reliable website providers, etc. The way we do business needs to change. We must start adapting to Bank Cards, and social media. Basically, changes are coming.

Affiliated clubs gave updates from Lander, Worland, and Sheridan.

Picture of James Riggs, M1 Garand winner from the Spring raffle was shared and will be posted on our web site.
